

Giving is a core tenant of Christianity. As believers, we strive to be imitators of God and **give to others as he has given to us**. This year consider these Alternative Gifts—gifts of healing and hope for those most in need around the globe.

Special Limited Offer

For every gift of \$100 or more, you will receive a bracelet hand crafted by an artisan in Haiti. Your gift will not only support sustainable medical ministries around the world, but will also improve the livelihood of Haitian artists and their families.
